

## **First Nations Education Administrators Association (FNEAA) COVID-19 Best Practices Initiatives**

December 17, 2020  
Akwasasne, ON

FNEAA is creating a portal on the FNEAA website to enable members to access, share and use templates and tools to assist them in meeting their education needs and achieving their goals. This means that your help is needed. First Nations education administrators and directors of education are encouraged to email to FNEAA examples and templates of school plans, Human Resources policies and employment contract clauses specific to COVID-19.

FNEAA is also developing a webinar on COVID-19 related HR issues especially now that vaccination programs have started to be implemented across the country. This webinar will feature information on how best to deal with issues related to managing staff and personnel that take into consideration the impact of the COVID-19 pandemic.

Your participation in sharing such tools with other First Nations Administrators would be greatly appreciated. As our surveys have indicated, there is a great need for these types of tools. If you prefer, that your shared templates and tools be anonymous; FNEAA will remove references to any organization or school before being posted to the portal.

You may send your materials or ask questions to Simon Brascoupe, Senior VP of Education, Communication, and Services at [sbrascoupe@fneaa.ca](mailto:sbrascoupe@fneaa.ca).
